

August 2024

Dear Business Manager/Owner,

The Pentucket Athletic Association (PAA) was founded in 1991 as a nonprofit parent volunteer organization that supports the athletic mission of the Pentucket Regional High School.

With the help of local businesses, the PAA is able to do great things for our student-athletes. In the last six years, the PAA has awarded over \$21,000 in scholarships to 36 student-athletes heading off to college, as well as purchased many items for the athletic program and teams such as gym banners, scoreboards, tents, mats, helmets, batting cage, uniforms, camera, shooting machine, football 'hudl' machine, a golf cart, an ice machine, and much more for our student-athletes!

100% of our business sponsorship donations help fund these scholarships for our student-athletes who plan to attend college or postgraduate school after Pentucket.

As the 2024/2025 year is getting underway, we are reaching out to see if your business has the means to donate and become a PAA Business Sponsor. Your business name will be recognized on the PAA website. For more information about the PAA, please feel free to visit our website at www.pentucketathleticassn.org

Thank you in advance for your support for our student-athletes at Pentucket Regional High School!

Regards,
PAA Executive Board, '24-25

About the Pentucket Athletic Association

Founded in 1991, the PAA is a nonprofit 501(3) C volunteer parent organization that supports the athletic mission of the Pentucket Regional High School. We promote scholastic and athletic achievement to provide our student-athletes with positive, lifelong experiences. We support the values that athletics provides, such as sportsmanship, team work, and sound work ethics. These are attributes that transcend athletics and will be invaluable to our students as they progress through life. All parents who have a student-athlete playing a sport at Pentucket Regional HS are members of the PAA.
